

TEAM HKUST: PROFESSIONAL PROFILES

PIYUSH GUPTA

[in linkedin.com/in/piyushgupta08768637](https://www.linkedin.com/in/piyushgupta08768637)

Currently pursuing MBA at HKUST Business School, with an exchange semester at the NUS Business School in Singapore.

11 years of work experience in Mechanical Engineering and business development, in a multicultural and diverse environment. Passionate and proven track record in Business Development, Strategy and Marketing.

Looking for: Management Consulting, preferably in performance improvement or change management.

POOJA AYSOLA

[in linkedin.com/in/poojaaysola](https://www.linkedin.com/in/poojaaysola)

Currently an MBA student at HKUST Business School, finishing the course with an exchange semester at the prestigious NYU Stern Business School.

Over 6 years of experience in delivering technology consulting solutions and leading digital transformation initiatives across geographies, leading companies to make better, data-driven decisions to drive impact at scale.

Looking for: Management Consulting in strategy, operations, or transformation.

SAMAY SONI

[in linkedin.com/in/samaysoni](https://www.linkedin.com/in/samaysoni)

Currently pursuing MBA at HKUST Business School, with an exchange semester at the NUS Business School in Singapore.

Samay has extensive non-profit exposure spanning over 5 years and across a range of organizations. Samay's past experiences (latest on top) include:

- ~1.5 years as a Management Consultant at PwC (full-time)
- Lead Consultant for Cargill APAC's CSR Process Restructuring Project
- ~1.5 years in Financial Due Diligence (M&A Advisory) for KPMG
- ~1.5 years as an Associate Software Engineer at Tech Mahindra
- 500+ hours of engagement with social sector projects

Looking for: Strategy role in the Investments or Mergers & Acquisitions.
